**Teen Crew Leader Responsibilities
(Rising 6th – 12th Graders)**

Teen Crew leaders are a critical part of the Vacation Bible School experience. The children they work with are between the ages of 4 and 11 and really look up to their teen helpers. It is important to come each day with a smile on your face, ready to sing, dance, and have a good time with the children as you guide them through Vacation Bible School. Crew Leaders must take this position seriously and be responsible and willing to commit to the entire week, arrive by 8:30am to sign in and remain until children are picked up at noon and their station is clean. Any behavioral issues will result in dismissal from the rest of VBS. Service hours will be granted at the end of the week.

Teen Crew Leaders work with children ages 4 through rising 5th graders. They will be assigned to help lead and guide the children at each station and moving between stations.

Assistant Station Leaders stay in one classroom and lead the students in that station with the help of an adult. Stations are: Games, Imagination Station, Bible Stories (Drama) and Kid Vid.

All Crew Leaders/ Volunteers must attend a training meeting in June (dates on reverse side). The training meeting will include how to be a Crew Leader, learning the VBS songs and, if time permits, working on decorations/ crafts. Crew leaders are expected to work from 8:30am-12:30pm each day.
